

# CINDERELLA

Once upon a time there was a little girl called Cinderella who lived in a large house with her father, her step mother and her two ugly step sisters.

The step mother and step sisters were very unkind to poor Cinderella. They were jealous of her beauty, especially the step sisters who were not very beautiful themselves. They made her do all the jobs in the house from early in the morning until late night and gave her old ragged clothes to wear, whilst they had lots of lovely new dresses. Poor Cinderella even had to sleep by the fire as they would not let her have a bed.
