

- Primary education lasts for **six years**.
- Children start **Year 1** at the age of **five** and finish in **Year 6** at **11**.
- Primary education is divided into **2 parts** or **Key Stages**.
- Children are **tested** for progress at the end of each Key Stage: **Key Stage 1** is in **Year 2** and **Key Stage 2** is in **Year 6**.

- There is **no legal limit** to class sizes, but the government **recommends** that classes do **not exceed 30 students**.
